Ford Mustang Donald Farr 2017-02-01 Come along on Mustang's wild ride to automotive success. In the early 1960s, Lee Iacocca - then director of the Ford division at Ford Motor Company - convinced Henry Ford II to produce a sporty four-seat car aimed at the emerging youth market. That car, essentially a reconfigured and re-skinned Falcon economy car, became the Ford Mustang, and it changed the automotive world like no other car before or since. In Ford Mustang: America's Original Pony Car, acclaimed Mustang writer Donald Farr celebrates this unbroken lineage of muscle. He chronicles the car's phenomenal first-year sales, the new pony car category it pioneered, and subsequent models that include the Mustang GT, Shelby GT350, Shelby GT500, Super Cobra Jet, Boss 302, and Boss 429 - all part of a line of American performance cars that continues to this day. Created in cooperation with Ford Motor Company and featuring some 400 photos from its historic and media archives, Ford Mustang is a must on the bookshelf of any muscle car or Ford aficionado.

Books in Print 1993

How to Restore Your Mustang 1964 1/2-1973 Frank Bohanan 2010 In the past, restoration guides have provided authenticity information, such as accurate paint codes, badges, wheels, and other equipment. A bona fide hands-on how-to book for restoring your Mustang from the ground up has not been offered for years. This unique guide will cover the restoration process for every major component group and also provide detailed step-by-step restoration information for the most important procedures. With clear, insightful color photography to accompany this how-to information, any at-home restorer can confidently restore a car and save a substantial amount of money in the process. While restomod books have shown how to install latest technology on vintage muscle cars, this book will focus on factory-accurate restorations, and some simple bolt-on upgrades that do not detract from the collector value but rather enhance the reliability and performance of the car. *How to Restore Your Mustang 1964-1/2-1973* delivers a detailed explanation for finding the right model, how to assess condition, how to spot a fake, and how to select the right car within your budget. In addition, the book will cover how to plan, prepare, and select the right tools. This unique guide will cover the restoration process for every major component group and also provide detailed step-by-step restoration information for the most important procedures. The latest techniques and best restoration products for each system will be discussed and detailed. Also, the book discusses how to source parts and what you need to consider between new/old stock and reproduction parts. Readers will also learn how to determine if a certain task is best left for a professional shop. All crucial aspects of restoration, including engines, drivelines, body, interior, trim, electrical systems, brakes, steering, and suspension will be profiled.

Mazda MX-5 Antony Ingram 2013-08-31 At over 900,000 cars produced - and counting - the Mazda MX-5 holds the Guinness World Record as the best-selling two-seater sports car ever produced. And while mere numbers should not be the only barometer of success, it has taken a car of the MX-5's talent to capture the imagination of both enthusiasts and the general motoring public alike. *Mazda MX-5 - The Complete Story* examines the design, development and production of this innovative sports car. Topics covered include: Details of the engine and drivetrain technology that gave the MX-5 its sharp handling and performance; Chronicles the stories of the engineers and designers behind the MX-5's success; Looks at the closest contemporary rivals to the car, and why the MX-5 was far and away the most successful; Covers all special editions and the racing story; Includes a detailed buyer's guide for each generation, specification tables and owner's experiences. A concise, detailed guide to this groundbreaking and innovative sports car. Superbly illustrated with 200 colour photographs. Antony Ingram is a freelance motoring writer and is passionate about classic cars and modern performance vehicles.
