Your Captivating Love Layla Hagen 2016-03-20 Everyone knows my priorities. Logan Bennett, loyal to my family and my company. And that's all. No time for love. No desire for it. Not since my failed engagement. I'm done with romance. Then Nadine Hawthorne waltzes into my life as though she has no idea she's turning everything upside down. She's all, "oh, I'm focusing on my clothing company," and "I can't afford distractions," as though she isn't distracting me from focusing on anything but her. She's sexy, she's captivating. She doesn't believe in love either. Clearly, the best way to get each other out of our systems would be to have a brief fling. We're on the same page about love, after all. Being together is addicting... even if I am suspicious that my family is scheming about us. Our attraction is fiery, and our connection is undeniable. I'm winning her over, and vice versa. What started as a flirtation is soon spiraling into much more than either of us are prepared for. So when a mistake threatens to tear us apart, will we have the strength to hold on?

Always With You Layla Hagen 2019-09-09 Ruling his LA hotel empire through determination and hard work, Reid Davenport is a mystery to many. Despite the media's interest in him, Reid steers clear of the limelight—until his life is broadcast in the tabloids, endangering not only his privacy, but that of his parents and his little sister. He'd do anything to protect them...except listen to the fiery and intelligent PR pro, who's as beautiful as she is tempting. Every time she walks into his office, he fantasizes about bending her over his desk and kissing her. Every time she smiles at him, he wants to pull her closer and not let go. Hailey Connor doesn't take on uncooperative clients. But the second she meets Reid, she's compelled to stay and help, even if she must fight his own broody ass to do it. He's bossy, demanding and so sinfully alluring that she knows she's in over her head. Reid may be infuriating, but when he talks about his family, she can't help but melt a little. With every kiss, they grow closer. With every touch, they fall deeper. They're opposites...yet perfect matches. But when their different worlds collide, will it tear them apart or bring them together?

Your Forever Love Layla Hagen 2016-08-01 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

Say You're Mine Layla Hagen 2021-04-04 USA Today Bestselling Author Layla Hagen brings you a sizzling new romance I swear I didn't mean to flirt with the world-famous Brayden Clarke—especially not right in the middle of an interview for a job. It was a slip-or perhaps a gut reaction to his smoldering eyes and deep, sexy voice. To my total disbelief, they give me the assignment. My task is simple: advise Brayden and his band on how to communicate with their fans. Easy-peasy. Or so I thought...I can handle the job, but the sexy lead singer who's intent on getting under my skin might be too hot to resist. But our lives are too different. His life is under constant scrutiny. I thrive on freedom and spontaneity. I like exploring the streets of New York and meeting up with my siblings without needing security detail. But when we're together, all our differences fade, and I can't get enough of this man. And he won't quit until he makes me his.

Your Endless Love Layla Hagen 2018-01-17 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something—or someone—to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

When You're Mine Layla Hagen 2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that—not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

Charmed by the Bartender Piper Rayne, Inc. 2017-10-30 Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no. Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped 'LOSER' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that promised I'd be screaming his name into the wee hours of the morning? When that guy also

has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. A romcom from a secret duo of USA Today Bestselling Authors, comes the first COMPLETE STANDALONE in the Modern Love Series.

Your Tempting Love Layla Hagen 2017-02-17 The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake. Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting? I'm determined to see this thing through to the end. And I won't settle for anything less than a happily-ever-after.
