Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. What I want more than anything is someone to share my life with and that person is my best friend's older sister, Whitney. Whitney Trumbolt Ryan is ten years my junior, but damn, being a cougar never felt as good as it did the night we spent together. Now I'm struggling with wanting things to either go back to the way they were or spend every night in his arms. Make my wedding planning company the best in the south? Did it. Ignore the way my body trembles when I see Ryan? Epic fail. Freak out when I see a positive pregnancy test staring back at me? Complete with mascara running down my face and clutching my pearls. Looks like things won't go back to the way they were. There's a man in my life that doesn't take no for an answer. He's the one who makes my blood run hot, cheeks turn red, and heart beat wildly within my chest. His name is Renegade.**

One gorgeous summer day, it all comes crashing down on us. The man who has my heart is in the middle of a FUBAR situation that has no good ending. My hope is, when the smoke clears Caleb walking towards me, arms out-stretched, with that grin on his face, before he envelopes my body into the hug only he can give. That's what would happen in a perfect world - but I've never known a perfect world - not even with Caleb.....**
